YEAR OF THE WATER TIGER 壬寅年

WAYFENGSHUI
GROUP

ABOUT THE WATER TIGER

2022 is the year of the Water Tiger. Those born in the year of the Tiger are prone to being restless and insecure this year. However, as long as you focus on upgrading yourself, you will be able to carve a new path for the future, gaining opportunities for career advancement. Normally astute, Tigers will have to remember to handle all matters rationally this year and not lose sight of the bigger picture for small gains. As long as you remain calm while striving on boldly, you shall flourish in all aspects of life!

Chinese
New Year
Visits

1

正月初一 TUESDAY 星期二

The first day of Chinese New Year symbolises a new beginning and calls for early rising and preparations to visit relatives and friends. It is customary to don new clothes and exchange auspicious greetings. 'Bai nian' is the traditional practice of expressing well-wishes to loved ones for the year.

For an auspicious start to 2022: Have breakfast together as a family and incorporate red, orange and gold hues into your New Year outfit

The Year of the Water Tiger marks a challenging and competitive landscape that can be visualised as a training ground in a dense forest, with soldiers striving to advance and overcome various obstacles. This is a year with strong Water and Wood elements ruled by the Five Yellow Authority Star, indicating a year that requires grit and determination to compete. Nevertheless, there will be progress in all matters despite possible obstacles. Stay positive and be resourceful in dealing with challenges. As long as you work hard, you can power through the year of the Tiger.

2022 ANALYSIS

This will be a challenging year for those born in the year of the Rat. Obstacles are inevitable with the absence of lucky stars, but resilience is key. You may feel greater stress as unlucky stars lurk around, causing you to become irritable and anxious. Such emotions will affect your health and put a strain on relations in the long run. Hence, you must try to stay calm and avoid overreacting. Practise deep breathing from time to time, and let the moment pass before making hasty decisions.
